### Brief description

The Leela Palaces, Hotels and Resorts is an expanding chain of some of the finest five star luxury resorts and business hotels in India. It is also one of the best-run corporates in India. The 260 room Leela Palace Kempinski New Delhi is located in the exclusive Diplomatic Enclave. It is in close proximity to the Presidential Palace, Prime Minister's office, ministries, embassies, central business districts and historical monuments. The rooms are one of the largest in the capital spanning more than 550 sq.ft. and the Presidential Suite sprawls over 4300 sq.ft. with all state-of-the-art amenities.

### Scope of Work

The Leela Palace Kempinski Hotel, New Delhi has limestone in the internal areas like lobby, coffee shop, etc. which was coated by Remmers Funcosil SL, especially manufactured to impregnate limestone surfaces for water repellency and protection.
